

## CONFERENCE VENUE

The conference will be held in Lisbon, one of the most beautiful European capitals, at the Lisbon International Fair (FIL), located in Parque das Nações. This is a modern part of the city with magnificent views over the Tagus river estuary. The venue is readily accessible by public transport facilities such as train, Metro and bus, at Gare do Oriente. It is just 10 minutes from the city centre and from the Lisbon International Airport which has frequent and direct flight connections with many cities in Europe and also with some others in North and South America and in Africa.

## ACCOMMODATION

Special conference rates for various categories of hotels with venues close to the conference, or in the city centre, are available, as detailed on the website.

## SOCIAL EVENTS

A welcome reception and a conference banquet will be offered to the participants in a relaxing atmosphere for open discussions and pleasant moments.

A specific programme for accompanying persons is also provided.

## DEADLINES

Abstract online submission	20 January, 2010
Notification of acceptance	31 March, 2010
Full manuscripts submission	15 May, 2010
Early bird registration	15 July, 2010

## SCIENTIFIC PROGRAMME

The conference will specifically address

### New Paradigms in the Pulp and Paper Industry

Covering the following basic topics:

- Forest
- Raw-Materials
- Pulp Production
- Papermaking
- Converting and Printing
- Pulp and Paper Chemistry
- Energy and Environment
- Biotechnology and Biorefinery

Other specific subjects related to Forest, Pulp and Paper, such as Recycling and Industrial Practices will be included in the different main topics according to the content of the work.

The Scientific Programme includes invited plenary lectures and contributed papers (oral and posters sessions). The oral presentations will be held in two parallel sessions.

A visit to one of the largest and most modern mills in the world for printing and writing uncoated woodfree papers is included in the programme.

The membership of the Scientific Committee is available on the website.

## INVITATION

Scientists, Papermakers, Technicians, Manufacturers and Suppliers from all over the world directly or indirectly engaged in the Forestry, Pulp and Paper field are cordially invited to participate in the

### XXI TECNICELPA Conference and Exhibition / VI Iberoamerican Congress on Pulp and Paper Research - CIADICYP 2010.

to be held in Lisbon, Portugal, 12-15 October, 2010.

Authors are encouraged to submit online, until **20 January, 2010**, an abstract with no more than 500 words, following the guidelines available from the conference website. English is the preferred language but abstracts may also be submitted in Portuguese or Spanish. However, in this case, a second abstract written in English, in the same file, is mandatory.

You can not miss this unique forum on Forest, Pulp and Paper in Portugal!

## EXHIBITION

Companies are invited to present the latest technologies, equipments, instrumentation, materials and services during the conference Exhibition located beside the conference rooms.
